TEACH OUT AND TRANSITION

1.0 INTRODUCTION

1.1 Context

AIM Business School (ABS) must meet the requirements set by the Higher Education Standards Framework (Threshold Standards) 2021 of establishing effective teach out or transition plans for courses that have been determined to be discontinued either by ABS or by TEQSA.

1.2 Purpose

This policy provides the principles and criteria under which ABS plans and establishes teach out or transitions plan.

It should be read in conjunction with the Teach out and Transition Procedure and the Course Lifecycle Policy and Procedure.

1.3 Scope

This policy applies to all domestic and international students enrolled at ABS.

This policy applies to all ABS staff involved in processes related to course teach outs and transitions.

1.4 Scope Exceptions

None.

2.0 RESPONSIBILITIES

1. Students are responsible to follow and comply with this Policy and its Procedure.
2. ABS staff are responsible to use this Policy and its Procedure to establish each teach out or transition plans for students.

3.0 POLICY

3.1 Principles

1. A phase out and discontinuance of a course can be initiated by ABS or by TEQSA.
2. In the event that ABS is not able to undertake a teach out or transition of a course (e.g. if prohibited by TEQSA) then procedures as per the ABS Tuition Assurance Statement will apply.
3. ABS will initiate a course phase out and discontinuance in line with the ABS Course Lifecycle Policy and Procedure.
4. ABS has specific teach-out and transition contingency arrangements in the event that any of its courses are discontinued, including availability and accessibility of similar courses at ABS or at other education providers. (See Schedule 1 “Contingency arrangements for ABS courses”)
5. ABS will establish a Course Teach out and Transition Plan in line with the ABS Course Lifecycle Procedure. The plan will ensure that ABS is not at risk of being at Provider Default as defined by the Tuition Protection Services (TPS).
6. ABS will endeavour to ensure students enrolled in a course intended to be discontinued have the opportunity to complete or transition to a mutually agreed course at no disadvantage. In the case of international students, ABS will consider the potential impact on a student’s Course Package and student visa.
7. Individual Student Teach Out and Transition plans will be created and issued to each impacted student once the Course Teach out and Transition Plan is approved.
8. Where a course intended to be discontinued and is due for re-accreditation by TEQSA, ABS will apply for re-accreditation with TEQSA for a maximum period of two (2) years.
